

The role of the System Charter Leadership Team – *keeping consistency in the process of system charter implementation*
City Charter Schools of Decatur

December 2, 2008

Key Responsibilities:

1. Assess the effectiveness of the system charter
2. Share information and innovations from each school
3. Focus on system goals and outcomes
4. Provide oversight for the systemic nature of the School Leadership Teams
5. Develop an Administrator appraisal process
6. Mediate between School Leadership Teams and other entities
7. Discuss possible charter revisions
8. Provide oversight and recommendations to the Superintendent on issues submitted by the School Leadership Teams with a scope and impact beyond the local school
