Dear WE Crew,

The teachers at WE and across the district are working hard getting instruction together for your students. I will be sending out information on how to access the work through Google Classroom later in the week. I am continuously amazed by their dedication to their profession and to your students. Many of our teachers are at home trying to manage work, child care, and home schooling like many of you. We understand your need for consistency, support, and words of encouragement!

I know that teachers, families, and students are thinking of new and creative ways to create community while we are not physically together. One of the things I am offering is a Lunch Chat with me this Friday, 3/27, at 12:00 PM through Zoom. You and/or your students can log in and 'make a connection' with me.

Please send me your questions ahead of time - [CLICK HERE](#).

You can access the Zoom Meeting on Friday by clicking [HERE \(https://zoom.us/j/136081966\)](https://zoom.us/j/136081966)

Thanks for all of your support and understanding as we navigate this new situation in our life/world.

Rochelle Lofstrand, Principal
