Learning is not  
the product of teaching.  
Learning is the product

## Tips You Can Use

### Finding Right Fit Books

A "right fit" book is a book that your child can enjoy reading on their own. Reading just right books helps your child develop as a reader. To find a book that is just the right fit for your child, try using the five finger test.

Here's how it works: Turn to a page in the middle of the book. As your child reads, hold up a finger for every word he/she doesn't know. Use the following guidelines:

## Weekly Learning Targets

### 1st Grade

- I can identify words and phrases in stories and poems.

### 2nd Grade

- I can identify and infer the main idea and supporting details.

We will begin using IXL as a supplemental learning tool. An email will be sent with your child's login information.
