How can I help my child succeed in school?

- ♥ Read every day! Take turns at reading to your child and having your child read to you, asking questions to promote comprehension skills.
- ♥ Be positive, speaking well of school and learning. Encourage your child to talk about all of the fun things they have done or are going to do at school.
- ♥ Create a consistent after-school routine including meal times, homework time and play time (creating a visual display of this for your child can be very beneficial)
- ♥ Ensure your child is getting plenty of sleep on a school night, so they are fresh for school in the morning.
- ♥ Encourage your child in all aspects of academics, praising them both in their success and their efforts.
- ♥ Teach your child to be responsible for their actions, encouraging them to take responsibility for getting ready.
- ♥ Stay involved! If interested, inquire about volunteering within the classroom or about ways to support your child's learning at home.
- ♥ Communicate! Keep in regular contact with your child's teacher.

“You don't have to be great to start, but you have to start to be great.” By. Zig Ziglar

As long as you start to do something, with practice you become better at it. Just start and go from there!
