Students with Special Dietary Meals

Students who are vegetarians or have special dietary needs must complete [this google form](#) to help us protect their health & safety. Vegetarian students should fill out the form online, and no further action is required. Students with special dietary needs should fill out the form, have a healthcare provider complete the required paperwork, and contact sblack@csdecatur.net for further assistance. Meals will be labeled and delivered to these students. Please see the "Special Diets" section under our "Menus" tab on the CSD Nutrition website.
