

## City Schools of Decatur 2023-2024 Registration

Students requesting transportation must register through the [Busplanner portal](#).

**When registering in order to input the address, you must type in the address number first, then type the street address next. It will begin to auto-populate the field based on the address database. This will activate the drop box for the city.**

For more information, please visit the [Transportation Website](#). You will find registration information, frequently asked questions, and Bus route stop locations. To contact transportation, email [busplanner@csdecatur.net](mailto:busplanner@csdecatur.net)

*Only the stop location is displayed on the Route tab, no stop time, you must sign up to receive specific student information.*
