	29	30				

Key

First Day

No School

Last Day

Teacher Work Day (no school)

Weather Make-Up Day (if needed)

Useful District Information:

Has your contact information changed? Update your information in the Parent Portal (Infinite Campus.)

Why is it important to keep your contact information up-to-date? The contact information in the parent portal is used by the district and by your child's school to contact you in case of an emergency, inclement weather or to relay any other urgent news. In addition, this year CSD is rolling out a new messaging system which will utilize the contact information in the Parent Portal. In the Parent Portal you can update your phone numbers and email address, and choose your contact preferences. Please note: address changes must be made at the Wilson School Support Center, 125 Electric Avenue, Decatur, GA 30030 or in person at your child's school.

For detailed information on how to log into Infinite campus and update your contact information, visit csdecatur.net/parentportal and scroll to the link near the bottom of that page. If you are having any Infinite Campus log in issues, please contact your school's administrative assistant.

CSD's New Messaging Platform: How does the new communications system differ from the past system?

On the backend, this new system is more efficient as well as more robust and it provides a faster way for CSD to communicate with our community. This new system also allows for text messaging, more integrated teacher messaging, a CSD app as well as many more capabilities which will be implemented over time.

What does CSD need from parents?

CSD just needs you to keep your information updated and to make sure you do not opt out of any messages. Text messages from the District and schools will originate from the number 606-80. You can add this number to your address book as City Schools of Decatur or your school name to ensure you receive these messages. Please be aware, that if you do opt out of receiving these texts from either the district or your child's school by texting STOP back to this number, you will no longer receive any future text messages from the district or your child's school. Emergency text messages will come from 549-68.

New CSD FAQ page

CSD now has a FAQ page on their website where common questions about our school district are answered. If you have a question about our schools or our district, this page, csdecatur.net/FAQ, might be a good place to start.
